FOR MATH AND SCIENCE

The Daniel Center
The Spirit of Excellence!

Our Mission

The **mission** of The Daniel Center is to provide enhanced math, science, and technology education opportunities that narrow the education gap for at-risk and disadvantaged students; additionally, to prepare and motivate these young people to pursue a post-high school education through proven teaching methods.

All this takes place within the framework of a safe, effective and FUN childcare program. This program is open to **elementary and middle school students, ages 5-12.**

What Makes Us Unique?

Strategic alliances are what make The Daniel Center for Math and Science so distinctive. Collaboration with the following organizations is what ensures students in our program receive an effective and unique learning experience:

- Wake County Public Schools
- Local Colleges and Universities
- Private Industry
- Child Care Services Association

★★★★★ We are a fully operating 5-Star childcare center and **will gladly accept childcare vouchers.**

The **Daniel Center** is conveniently located just off the **440 beltline** (Exit 300B) in southeastern Raleigh, NC.
