

# YOU ARE INVITED

**Consolidated Asset Recovery Systems** cordially invites you to join us for the 2015 Customer Advisory Board Event.

It will be held in Raleigh NC on **Tuesday May 19th**, and **Wednesday May 20th**.

Consolidated will host everyone for dinner and drinks Tuesday evening, and we will meet from **8:30 AM - 2PM** on Wednesday.

We are looking forward to seeing those who have participated in previous years, as well as welcoming many newcomers to the event.

This is a great event for you and us to network with industry peers, discuss the direction and trends in our marketplace, and share best practices within the collections and recovery industry. We will also have panel discussion sessions with industry partners. This is going to be a fantastic two-day session!

Please **RSVP** to **Starr Judd**, and confirm who will be attending from your company. Space will be limited and early registration will be needed. A detailed agenda will be sent to registrants in a few weeks.

If you need assistance with hotel suggestions, please **call Starr: 919.521.4574 x 121**
